PARK

Recognize the signs SNOW ROUTES

If you see this sign
you are on a snow route

Snow route signs are posted on identified priority routes throughout the city.

Overnight parking is prohibited all winter from 2 a.m. to 6 a.m., December 1st to March 1st.

If your vehicle is found on the snow route during the times when parking bans are in effect, it will be ticketed and possibly towed.

Vehicles that block snow ploughs are routinely towed in accordance with the Manitoba Highway Traffic Act.

If you have any further questions about these parking restrictions or other seasonal parking bans please contact:
